Guidelines and tips for making your Pumpkin People display:

1. Keep in mind that there are three categories being judged; Most Humorous, Most Artistic, Most Original. One winner will be chosen for each category.
2. Judges will be looking for how the theme has been incorporated, use of props, and overall artistic quality. Originality counts so be creative and don't be afraid to put your own spin on the theme.
3. Build your Pumpkin People according to the instructions to ensure they are able to withstand the weather and last for the duration of the Harvest Festival. Instructions are available on the website.
4. Use of props in your scene is encouraged. See the website for some inspiration!
5. Pumpkin People can do anything you can do, they just do it pumpkin style! Consider this when making your display.
6. A free supply give-away for participants will be taking place Saturday September 24th @ Memorial Park, beginning at 9:00am - 11:00am or until supplies run out. They go fast so come early! (Limit on supplies is enough for three pumpkin people per group.)
