

Junior Princess Kentville Mentorship Program

The Town of Kentville is inviting interested young girls to participate in the Junior Princess Kentville Mentorship Program. The program is new this year, and aims to increase interest in Princess Kentville by giving young girls a chance to try out the experience with no strings attached.

The Town is accepting girls aged 10-18 who wish to go through the process of running for Princess Kentville. They will participate in the interview process, give a short speech on a topic of their choice at the Princess Tea, and be critiqued by a panel of judges who will provide feedback and support to each participant. Each girl will receive a Junior Princess Sash, and a certificate for completing the program.

The purpose of the program is to let younger girls give it a try, so that when they become the proper age to run for Princess they will know what to expect, be more comfortable and prepared, and therefore be more likely to consider running. Participants will have the opportunity to meet Queen Annapolis and her Royal Party, as well as the Apple Blossom Festival Directors who attend the Tea.

Perhaps one of the most positive aspects of the program is that it will allow participants to gain confidence in themselves, and in their ability to speak publically as they continue through their educational careers.

Eligible young ladies must be residents of the Town of Kentville, and can contact the Parks and Recreation Department for more information or to register for the program. The Kentville Princess Tea is happening on April 29th at the Kentville Fire Hall.
