

# Kentville Welcomes Winter

The Town of Kentville is welcoming winter and inviting you to join in the fun! This winter stay active with family and friends and take pleasure in the crisp outdoor weather.

## **Experience Downtown Kentville!**

Exploring vibrant Downtown Kentville is always an adventure. With its many unique shops, services, and attractions, Downtown Kentville is a great place to spend the day. Warm up by enjoying a meal and hot drink at one of our cafés or restaurants. Heat things up after dark by taking in some live entertainment in the form of a show at CentreStage Theatre or some music at one of our pubs. There 's always a reason to celebrate while you 're in Kentville, so whatever yours is we hope that you will treat yourself to the many warm winter experiences you will find here.

## **Get Out & Get Active in Kentville This Winter!**

Enjoy all of your traditional outdoor favourites like sledding at Burgher Hill, skiing the 7 kilometres of Kentville 's Trail System or snow-shoeing the ravine at the east end of Town. Bird watchers know that many feathered friends stick around during the winter months, so bird watching along the Trail can be a fascinating experience. Mark your calendar and make a family day out of the annual Eagle Watch in Sheffield Mills. The dates for the 2010 Eagle Watch are January 23, 24, 30 and 31.

## **Lace Up Those Skates!**

With so much going on at Centennial Arena and an outdoor rink at Memorial Park 's tennis courts (weather permitting) there are a lot of good reasons to hit the ice this winter. The Arena hosts Public Skating, Moms and Tots Skating and a variety of other sports and events, so get out and glide around the ice for a refreshing way to be active. Not much of a skater? Come check out a weekend hockey game. Our Valley Wildcats play on Saturday nights and Sunday afternoons. Full skating and hockey schedules are available at: [http://www.kentville.ca/community\\_recreation\\_arena.cfm](http://www.kentville.ca/community_recreation_arena.cfm)

## **Are You Up For The Challenge?**

Whatever it is that makes winter fun for you and your family, we want to see it! Snap a picture of you and your friends, family, or neighbours enjoying the great outdoors this winter and upload it to our new Facebook page for a chance to win great prizes! Draws take place once a month in January, February and March! So get out there and have some fun in the snow! Search for us on Facebook under the email address [recreation@kentville.ca](mailto:recreation@kentville.ca)
